# DELIVERING THE MOST TRUSTED 340B PROGRAM SUPPORT SINCE 1992.

---

**WE WERE THERE WHEN THE 340B PROGRAM BEGAN.** Hospitals and healthcare facilities looked to us to bring expertise, innovation and hands-on support to help them through. Years later, some things never change. They still do.

**WE ARE COMPREHENSIVE PHARMACY SERVICES,** one of the most trusted teams for 340B program support. Today, more than 700 various healthcare systems count on us to conquer challenges, stay compliant, uncover opportunities and save money.

**THIS IS YOUR CUSTOM 340B PROGRAM GUIDE.** Explore the different levels of partnership and support to see which custom solution is right for you.

# 340B Audit Services

## NO NONSENSE. NO BRAINER.

---

If you are a part of the 340B program, you are required to have a robust auditing program. Depending on your 340B registration, it may include annual independent outside audits, too. Simply put, we do that. What's more, our team of pharmacists and analysts perform an extensive independent review of all elements to ensure compliance while uncovering savings opportunities. We let you take it from there. Should you need further support, we're just a phone call away. We've been there and have worked in covered entities too. We understand and can help, better than anyone.

## CPS 340B Audit Services at a Glance:

- **A comprehensive mock audit and compliance assessment**, all with HRSA standards and best practice recommendations
- **A report and/or action plan** to help you comply with 340B program expectations and be prepared for HRSA Audits
- **A review and assessment of policy, procedures and contracts** as well as activities of the 340B Oversight Committee
- **A review of purchases** and program setup to uncover savings
- **Experienced with all types of 340B programs** including health systems such as DSH, CAH, SCH, RRC as well as all HRSA grantees such as CHC, FQHC, FP, HM, and Ryan White programs
- **A tailored type of audit** based on organizational preferences

# 340B Continuous Readiness Program

## ALL IN.

## ALWAYS READY.

---

When you're all set up to succeed with the 340B program but could use a multi-year strategy with ongoing support, this offering was made for you. As HRSA looks more carefully at hospital pharmacies and health systems without robust programs in place, we ensure you don't miss critical elements that help you stay compliant. If you have staff turnover and need intense training, we're ready to help. You'll get the best of our 340B benefits, with ongoing communication to help you every step of the way.

## It's easy

We perform an initial, complete mock HRSA audit and policies and procedures review with your team

We execute purchasing analysis and provide information that could lead to potential savings

You'll receive an annual independent mock HRSA audit for the life of your contract

## It's worry-free

Get specialized compliance support from industry-leading 340B experts, even during HRSA Audits

We provide an action plan, helping you decide who is responsible for which part and by when

We'll follow up monthly or quarterly and provide resources along the way

You'll benefit from guidance by pharmacy practice specialists with robust program knowledge to assist and support covered entities, if and when you need us

## It provides long-term success

We know the intricacies of the 340B program, having been involved since its inception

We provide multi-year ongoing support and quarterly reviews and reports – not just a one-time consultation

We stay ahead of the curve, continually monitoring the latest regulatory guidance

We benchmark 340B performance across the industry

Guidance to develop and complete a corrective action plan when needed

# 340B Assist Program

## EVERY ANGLE. EVERY OPPORTUNITY.

---

Consider this offering a complete solution from us and more support for you. You may have the 340B program already in place, but aren't confident it is set up to yield optimal results. Instead of facing manufacturer repayment or unfavorable HRSA Audit findings, allow us to support you both on-site and remotely, depending on your facilities policies. We'll do this by giving your staff high intensity training, identifying risks, prioritizing tasks, and more, all meeting HRSA standards. It won't take long to realize that worry-free is the way to go.

### CPS 340B Audit Services at a Glance:

- **A comprehensive mock HRSA Audit**
- **Internal audit plan**, program operations, third party administrator management and accumulator optimization assistance
- **Support with program expansion** from covered entity owned retail services to contract pharmacy services
- **CPS performs regular internal audits** for a constant state of readiness, all in compliance with requirements of The Public Health Service Act
- **Staff education and training** on program best practices and to take over and perform internal auditing in-house
- **Purchase and program setup reviews** to uncover savings
- **Quarterly progress report** for client
